TECHNICAL DATA SHEET

RENEW™ Belt Dressing

DESCRIPTION

JET-LUBE RENEW was developed to meet the demands of today's industrial grade belt dressing. RENEW eliminates destructive belt slippage on all flat, round and v-section power transmission belts. It can be used on car fan belts and in industrial and agricultural applications. RENEW's dry, tacky film increases traction while allowing low belt tension for longer belt life. It can increase belt power capacity by up to 50%. RENEW is resistant to water wash-off and performs effectively under wet conditions. RENEW removes residual build-up and will not glaze or collect dirt and dust. May be applied while belts are in operation.

ADVANTAGES

- Prevents slippage.
- Stops squeaks and squeals.
- Extends belt life.
- Resists water wash-off
- Increases Power Transmission Capacity.
- NSF H-1 Authorised.

NB. RENEW contains colophony type resin, to which some people are allergic. Do not spray directly onto hot surfaces.

APPLICATIONS:

Excellent for use on all shapes of power transmission belts including, flat, round, and vee. It is suitable for the automotive, industrial, dairy and farm belt drives. It is chemically stable, non-drying and water resistant for maximum efficiency.

PRODUCT CHARACTERISTICS

Spray Pattern:	Narrow Stream
Propellant:	Hydrocarbon
Solvent type:	Petroleum Distillate
Resin:	Rosin Ester
Film Appearance:	Clear to Light Amber Tacky Film
Dry Time:	20 Minutes
Specific Gravity:	0,80
Flash Point:	>18°C (65°F)

PACKAGING

Code	Net contents	Container
36959105	340g	Aerosol

RENEW

NSF H-1 Authorised for use in Federally Inspected Meat and Poultry Plants.

Contains No. 1.1.1. Trichloroethane, Freon TF or SARA listed ingredients.

LIMITED WARRANTY

Jet-Lube (UK) Limited makes the Limited Express Warranty that at the date of delivery, this product shall be free from defects in Jet-Lube (UK) Limited materials and workmanship. This limited Express Warranty is expressly in lieu of any other express or implied warranties, including any implied warranty of merchantability or fitness for a particular purpose, and of any other obligation on the part of Jet-Lube (UK) Limited. The sole remedy for breach of the Limited Express Warranty shall be the refund of the purchase price. All other liability is negated and disclaimed, and Jet-Lube (UK) Limited shall not be liable for incidental or consequential damages.
